

ISO 9001:2015

Senior Management Briefing – In-House Two hours with discussion

Core Purpose

To enable delegates to identify and discuss the requirements of ISO 9001 in relation to Leadership and Commitment

If you are booking a Senior Management brief on behalf of those attending the sessions

This brief will:

- Provide context for your Senior Management team the upcoming changes to the standard
- Provide industry examples of how to approach the transition to the new version of the standard
- Highlight the challenge facing Senior Management and the change shift in responsibilities and requirements

This brief is not designed to:

- Provide a roadmap for your organization to transition to the latest version of the standard
- Provide a detailed analysis of the standard and the clauses that have changed
- Provide you with a vision for your organization

Agenda

- Welcome & introductions
- Course benefits
- Aims, objectives & structure
- Leadership & ISO 9001:2015 Context, leadership & commitment

Please contact our In House Training sales team if you would like a course to cover your team's Transition, Implementing or Auditing requirements to discuss the available options and their applications against your needs.

This course is delivered in-company only. Contact us for a customized quote. **+44 (0)1908 815 926**

Our knowledge

We don't just train you to meet standards – we create them. As the world's first National Standards Body and a founding member of ISO, no one knows standards like BSI. Our expert knowledge means a lot and when you train with us, you benefit from this expertise.

Our tutors

Our tutors are the best in the business. As experienced assessors, they'll transfer the knowledge you need to embed standards into your organization and develop them through continual improvement.

In-house training

Our in-house training experts are happy to discuss your needs and can put together a custom quote that suits your business.
