If you selected a (ballot) hyperlink from within the ballot notification email, this is the page for the ballot that will load.

On opening the ballot there are 4 key areas:

- **Summary of ballot** (to read)
- **Reference docs** (to view or download), use commenting template if attached also.
- **Votes/comments of others** (for information only)
- **'Cast Vote' button** (launches a new screen)

Depending on the ballot configuration there can be several ways to respond (per question) within and across ballots.

Select the 'select an answer' to reveal the configuration. Comment submissions can be mandatory or optional (per question).

- 1) Vote only (no comment)
- 2) Vote + comment(s) via a html window
- 3) Vote + attach commenting template (only .doc and .docx)

Once complete, select Cast Vote.

Note: This document is circulated to National Committees for approval to progress to publication. The default position indicated above will be returned as the UK position if no responses to this ballot are received by the closing date.

- If the UK votes yes or abstains, it is BSI's policy to implement this document as a British Standard with no further input from the Committee.
- If the UK votes no, we have to provide a technical justification at this stage and this will form the basis of additional information in the National Foreword of any resulting British Standard implementation.
- Additional texts to the National Foreword or National Annex will require endorsement from your Committee Chair.

Note 1) Only technical comments accompanying a negative vote can be submitted at this stage and they have to be submitted on the correct comment template. If you have any queries on how to use the template then please do not hesitate to contact your Committee Manager.

Note 2) We are obliged to implement all European Standards and our policy is to implement as full a package of International Standards as possible.

Note 3) If you do not consider an International Standard suitable as a British Standard please discuss with your Committee Manager.
