

● BSI Training Academy Training Schedule 2023

Malaysia

About BSI Training Academy

Forward-thinking organizations are recognizing that to stay ahead of industry change, to win the talent war and to outperform the competition, they need to instill a culture of continuous learning and constant growth within their organizations.

Standing still is not an option. BSI Training Academy is key to this, supporting people and organizations to develop and progress toward a resilient future.

We are one of the largest training and certification bodies, we have helped shape many of the world's leading standards from ISO 9001 to ISO/IEC 27001.

We take the time to understand your company's learning needs to develop training solutions that satisfy your business objectives and your personal aspirations.

Our approach - accelerated learning via participation in activity-based learning and sharing with peers.

Expert tutors in their field - offering a world-class learning experience that our delegates rate as first class. They know best how to transform your organization by turning our experience into your expertise.

Internationally recognized BSI certificates - a BSI Training Academy certificate is a mark of expertise, quality and integrity.

BSI Blockchain-based solutions - enables you to showcase your achievements with just on click through a single trusted platform, powered by the OriginTrail Decentralized Knowledge Graph and underlying blockchains. [Watch demo](#)

Choose from a variety of training delivery formats

Flexible and adaptable delivery methods to ensure your learning solution maximizes your strategic goals, whilst adapting to varying learning styles, levels of expertise, and location of you and your teams.

Live online training

Join an expert tutor in a live "virtual" online classroom. With BSI's 'live' online training, you can take the same high-quality classroom course with the same expert tutor.

Classroom-based training

Choose a date and venue near you, joining delegates from other companies. Our public training courses take place in convenient locations across Malaysia.

On-site at your premises (In-house)

The same high-quality training delivered face-to-face in your location

On-demand eLearning

Our on-demand training delivers high-quality content using a combination of video, online course materials and embedded assessment, enabling you to study at your own pace, in your own time.

HRD Corp Claimable Course

Our training courses are HRD Corp Claimable Course. More information, refer to [HRD Corp official website](#).

If you think you may need training in a different format then please contact us to discuss what alternative options we have available.

BSI Personal Qualifications

By successfully completing a combination of courses and assessments, you'll earn a BSI qualification and the right to use a BSI Mark of Trust.

The BSI 'Professional' badge is used by individuals who have passed a BSI training course successfully. The badge provides a strong and credible endorsement that can be displayed in a person's CV, LinkedIn profile, email signature or any similar information. In addition to highlighting a person's professional competence, it also provides confidence and help you stand out.

Auditor Qualifications

Internal Auditor and lead auditor pathway, with three stages (practitioner, professional and certified professional)

- ISO 9001 auditor qualifications
- ISO 14001 auditor qualifications
- ISO 45001 auditor qualifications
- ISO 22301 auditor qualifications
- ISO 50001 auditor qualifications
- ISO 13485 auditor qualifications
- ISO/IEC 27001 auditor qualifications

Greenhouse Gas Qualifications

Two stages (practitioner and professional)

BIM Qualifications

BIM assets and BIM project pathway, with 3 stages (practitioner, professional and certified professional)

Medical Devices Regulation Qualifications

Two stages (practitioner and professional)

Food Safety Foundation Qualification

Remarks:

Online exam* BSI courses now come with an added bonus – you can opt to have your learning validated against assessment criteria including an end-of-course examination. The opportunity to gain a Certificate of Achievement allows you to not only validate your skills and expertise but improve your professional profile and employability. This is available for anyone who attends our requirements, implementation and internal auditor training courses for: • Quality (ISO 9001) • Information Security (ISO/IEC 27001) • Occupational Health and Safety (ISO 45001) • Environmental (ISO 14001) • Medical Devices (ISO 13485)

Course dates may subject to changes due to unforeseen circumstances. Do contact us prior to enrolment. All courses are HRD Corp Claimable Course. Fees are subject to 6% SST. Last update 16/11/2022
